Sponsorship

Monday-Friday, June 24 -28, 2019

Dear Sponsor,

This is your opportunity to help with a training session which benefits not only your local fire department, but fire departments across the state of Georgia. This training provides up-to-date methods of instruction in fire prevention, education and engineering/inspections. There has been an increase in the number of attendees at the Fire Symposium over the past few years. The attendees comment on the outstanding classes and the educational value of the exhibits. In addition, they praise the various specialties given away, door prizes, refreshment breaks, and social/banquet which are supported by the exhibitors, **sponsors** and fire-related organizations. All attendees are encouraged to support all organizations that support this Symposium. Thank you in advance for any support you elect to provide. Let's all work together to make Georgia a fire safe state.
